HEADING

Not far from Byaduk you will find Branxholme, a perfect town to take a breather underneath one of the large shady trees by the highway. This attractive area was designed as a commemoration to those who fought and died in the First World War.

Branxholme is also home to one of the finest creations of the volcanic eruptions of the region; the two storey bluestone mansion of Arrandoovong. A colonial masterpiece, this private residence is also a bed and breakfast and the perfect setting from which to launch day trips throughout the region.
